"Explores 95 creative ways to build simple robots with the LEGO BOOST set. Each model includes a list of parts with minimal text. This list is very a quick and easy way to find out what parts can be used to assemble a given model. The model usually consists of 5 main parts: body, wheels, two or more arms, legs or other part that can be moved with hands, and one part to help understand the assembly process, I'm using a picture of a model with three wheels to explain how the wheels rotate on a vertical axis.
